

# COMMUNITYCARE REGISTRY

“YOUR LINK BETWEEN WORK AND CARE”

The CommunityCare Registry (CCR) is a registry service for prescreened, self employed home care workers.

CCR is a great resource for individuals (regardless of age and income) seeking private pay options for their home care service needs. The care workers with CCR can assist with various tasks such as personal care, housekeeping, shopping, meal preparation and caregiver relief. CCR provides access to experienced home care workers qualifications, availability and hourly rates match the personal needs of the individual.
