

Senior Living Festival Postponed

After careful consideration, the Senior Roundtable of Columbus and Franklin County, Central Ohio Area Agency on Aging and Franklin County Office on Aging have decided to postpone the Senior Living Festival to October 29, 2021. The primary audience for this event includes the age group most at risk of severe illness from COVID-19. Therefore, to protect the safety of our attendees the Senior Living Festival for 2020 is cancelled. Thank you for your years of loyal support!
