

Saturday is National Senior Citizens Day!

We at the Franklin County Office on Aging are proud to serve the older adult community, and believe they deserve recognition on this special day. Back in 1988, Ronald Reagan was President of the United States, and signed a proclamation that declared August 21st to a day for honoring our older adults age 60 and over.

We have made it a mission at our agency to provide programs and services that will allow our older adults in the Franklin County population to live as independently as possible, for as long as they are able to. We want to thank all of those who share the same passion we do when it comes to helping our older adults.

If you or someone you know is over 60 and needs help, please contact Senior Options at 614-525-6200.
