Free Transportation Available for 60+ to COVID Vaccination Sites

Columbus, Ohio, February 26, 2021 - Franklin County Office on Aging will provide free transportation to older adults age 60 years of age or older who have scheduled a COVID-19 vaccine appointment. To arrange transportation, call (614) 525-6200, 9:00 a.m. – 4:30 p.m. **You must have a vaccine appointment scheduled before calling.**

Franklin County Office on Aging helps Franklin County residents age 60 and older maintain their independence. We also support family members with the often-overwhelming task of caring for a frail older parent, family member, or friend with limited abilities, in addition to addressing allegations of abuse, neglect and exploitation.

Franklin County Office on Aging has been providing community-based services through Senior Options since 1993. These services can include home delivered meals, homemaker services, personal care, respite care, adult day care, emergency response systems and minor home repair.
